GGTA043

TRUCK ANCHOR

OVERVIEW

The Truck Anchor is designed to provide a safe and reliable anchorage point for fall protection during loading, unloading, and maintenance operations on trucks and transport vehicles. It ensures secure attachment and dependable protection while working at height. Engineered for durability and ease of use, the Truck Anchor allows users to carry out tasks safely and efficiently, even in demanding outdoor environments.

KEY FEATURES

- Trucks, transport vehicles, loading bays, and maintenance platforms
- Designed for single-user only
- Reliable and secure vehicle-mounted anchorage
